

Zoom Integration

App4Legal offers integration with Zoom to facilitate creating meetings from within the application.

Installation

App4Legal Zoom integration is built-in, the only thing you have to do is to allow App4Legal to access your Zoom account (check Usage below)

Uninstallation

1. Login into your Zoom account and navigate to Zoom Marketplace.
2. Click **Manage > Installed Apps** or search for the **App4Legal** app.
3. Click the **App4Legal** app.
4. Click **Uninstall**.

Usage

To create a Zoom meeting follow the below steps:

1. Press on Zoom icon in the top menu and enter a meeting Topic, participants and an optional password

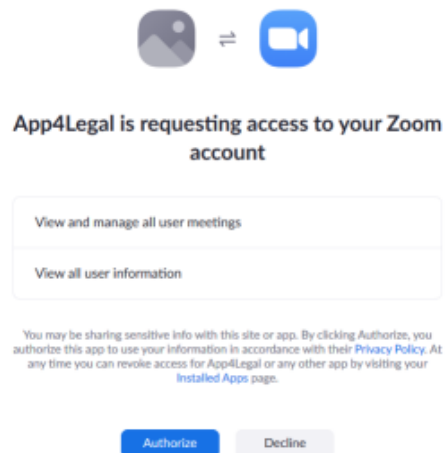

The screenshot shows a 'Start Zoom Meeting' dialog box with the following fields:

- Topic***: A text input field with a red asterisk indicating it is required.
- Participants**: A dropdown menu.
- Meeting password**: A text input field.

At the bottom right of the dialog, there are two buttons: **Start Meeting** and **Cancel**.

2. Allow App4Legal to connect to your Zoom account

3. Once authorized, you will be redirected to Zoom to start the meeting.
