

App4Legal: The Best Way to Manage Your Legal Team

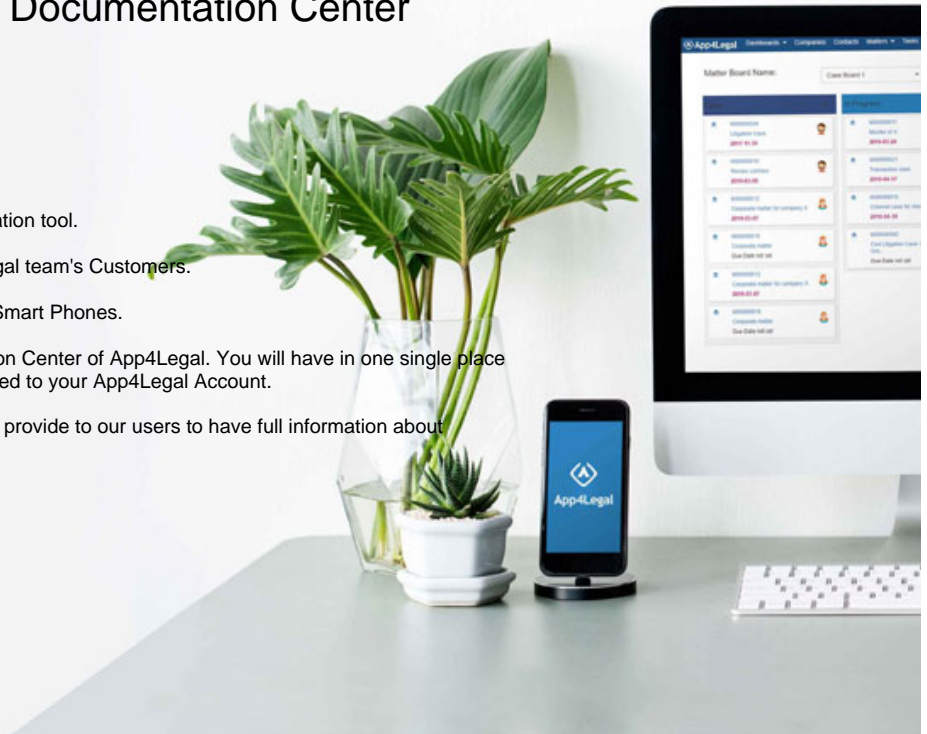

Welcome to App4Legal Documentation Center

App4Legal is composed of 3 Components:

1. **Core Application:** web application collaboration tool.
2. **Client Portal:** interactive interface for the legal team's Customers.
3. **Integration with Outlook, Mobile App** for Smart Phones.

This site offers you access to the Documentation Center of App4Legal. You will have in one single place User Guides, FAQs, and legal documents related to your App4Legal Account.

This is a part of our self-service portals that we provide to our users to have full information about App4Legal features, release notes, and news.
