

How to Generate Hearings Reports

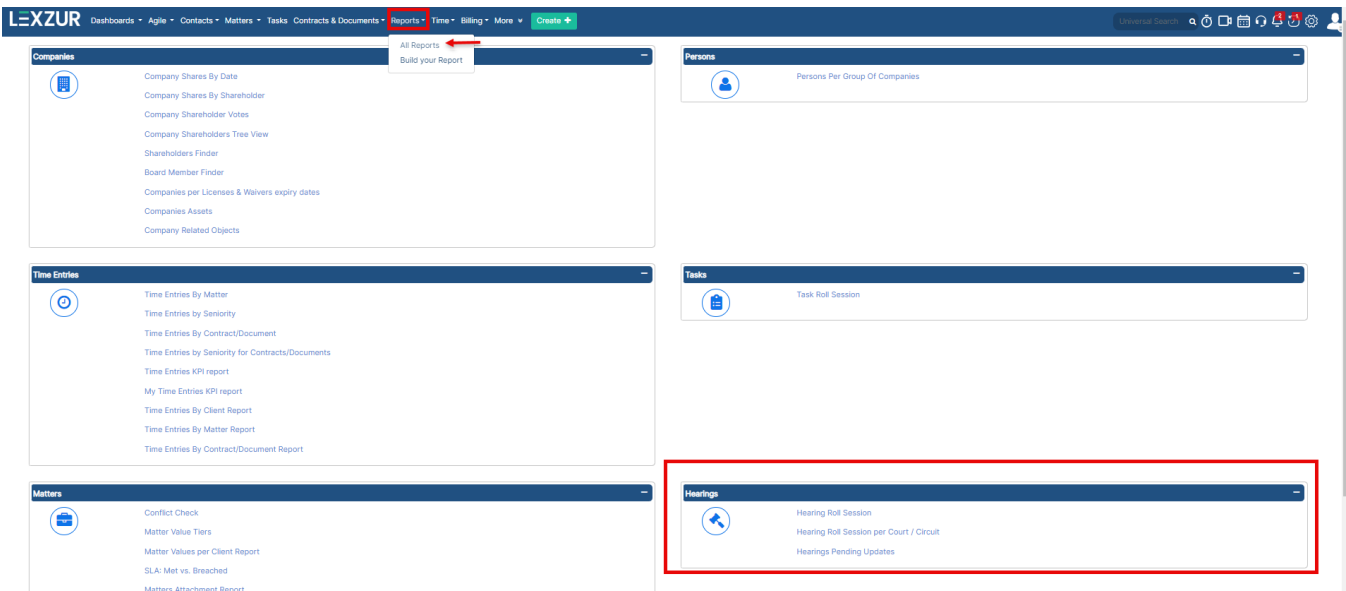

Objectives

- Generate Reports Related to Hearings

Steps

In LEXZUR, you have many useful predefined **Reports** that are segregated as per each related module.

The Reports module can be accessed by clicking on Reports All Reports from the main menu.

Hearing Roll Session:

The hearing roll session report allows the user to report all hearings, current week, current month or last matter hearings with all the related details such as: matter name, arrival date, reference number, hearing summary, stage, latest development and so on.
