

App4Legal.v8.3 Release Notes

Important highlights from this release

- App4Legal Corporate Matter & Litigation Cases design has been revamped to be more user friendly & intuitive.
- Matter level access can be now set based on the "Assigned Team" value, allowing only members of the "Assigned Team" to access those Matters.
- New Design for Contacts & Companies grid.
- Contracts can now be created using an easy and intuitive wizard from an existing contract template or a new one.
